**SURVEY (OFFICIAL) OF LOT:**

The contractor or builder applying for new construction, or additions to existing buildings, shall notify the Codes officer/Zoning administrator upon marking or laying out of the site and foundation for such work. The Codes officer/Zoning administrator shall review the location of the proposed building to determine conformity with the city zoning regulations. In case of doubt respecting the required location, the Codes officer/Zoning administrator may require an official survey of the lot lines to determine conformity, at the expense of the applicant.

I have read and completed the above application for a permit. If a permit is granted, I hereby agree and bind myself to construct said structure in accordance with all requirements of the Codes of the City of La Cygne and Zoning Regulations of the City of La Cygne, Kansas whether specified or not. I further agree to save the City of La Cygne harmless for all costs and damages which may result due to the issuance of this permit and any changes in the structure will be brought to the Codes officer/Zoning administrator's attention for approval. Any inspection fees will be at the owner's expense. **All permits issued under this application expire 6 months from the date of issue.**
