REGULAR MEETING:

The La Cygne City Council met on Wednesday, April 6, 2022 at the La Cygne Community Building. Council Members present were: David Brenneman; Keith Stoker; Danny Curtis; Thomas Capp; and Jerome Mitzner.

Others in attendance included, but not limited to: City Clerk (CC) Jodi Wade; Police Chief Fenoughty; City Attorney Burton Harding; Linn County Newspaper Tony Furse; Linn County Journal Roger Sims; Jackie Pribble; Jim Thompson; Judith Patterson; and Dustin Bledsoe.

CALL REGULAR MEETING TO ORDER (7:00 P.M.)

Pledge of Allegiance – Mayor Debra Wilson

MAYOR COMMENTS:

a] Dog Days will be held on April 9, 2022 from 2pm – 4pm at the enclosed shelter at the La Cygne Community Park.

b] The Annual Easter Egg hunt sponsored by the La Cygne Chamber of Commerce will be held on April 16, 2022 from 9am-10am.

c] Mayor Wilson commended the city staff for their hard work over the past few months on the infrastructure projects. Managing the project as well as keeping up with daily responsibility takes a great deal of extra effort and time. Mayor Wilson also commended City Treasurer and Utility Clerk Connie Gore for the great job with the utility reports for the Auditor. In the past there has been a struggle getting the reports from the financial system in a systematic form for the Auditor, Utility Clerk Gore had them organized in a manner which was very satisfactory for the Audit.

CONSENT AGENDA:

❖ Motion to approve Consent Agenda:

Council Member Capp motioned to accept the Consent Agenda as presented.

Minutes of March 16, 2022 Council Meeting;
2021 Annual Financial Statement;
Check Register: March 17 – April 6, 2022;

Motion seconded by Council Member Stoker, voted on, passed 5-0.

DISCUSSION FROM THE FLOOR:

Judith Patterson regarding connection to the city water main for a home located at 177719 E. 2150 Road. Judith Patterson had completed the petition to request connection. Mayor Wilson presented a letter of findings from the Water Committee to Judith Patterson. Mayor Wilson read the letter out loud which indicated Rural Water District #1 was willing to release the address as a customer since they did not have any mains near by and had no plans for putting in a main. Linn County Commissioners indicated in a motion in their minutes to give permission for the owner of 177719 E. 2150 Road to place their service line in the County Right-of-way. The City of La Cygne indicated the nearest city main was located at the intersection of 1st Street and Linn Street. The City

DISCUSSION FROM THE FLOOR CONTINUED:

would also give permission for a service line to be installed in the City Right-of way. Judith Patterson confirmed the location of the city main. The letter confirmed the city at this time does not have any plans to extend the city main any further to the South. Judith Patterson could connect at the owner's expense to the existing city main per the letter from the city. No further discussion was held.

Jackie Pribble addressed the Council regarding the duplex located on the city right of way and alley (utility easement) at 109 N. 2nd Street. Jackie Pribble asked about having more time to get the home removed. The Council, at a prior meeting, had set the date of May 1st, 2022 for completion. Mayor Wilson asked Jackie Pribble when she had given notice to the tenants and what progress had been made for completing the removal. Jackie Pribble indicated she gave notice to the tenants a little over a month ago to be out by the last day of April 2022. Jackie Pribble has spoken to two contractors about removing the duplex and Rick James indicated he would look at the house to possibly auction to be moved. No further comments were made.

Dustin Bledsoe addressed the Council regarding a "Quiet Zone" for the trains. He indicated he previously worked for the railroad and would have some connections for contacts regarding how to establish an area as a quiet zone. Council Member Mitzner and Council Member Stoker, both of the Public Safety Committee, would like to meet with Dustin Bledsoe to discuss and look in to some possible options for the community to enable a quiet zone for the railroad.

SPECIAL PROJECTS:

WATER PLANT SETTLING POND PROJECT (MIDWEST ENGINEERING GROUP/STARBUCK TRUCKING, LLC)

PWS Nasalroad and CC Wade met with Dan Coltrain & Trenton Morris (Midwest Engineering Group) and Kevin Starbuck (Starbuck Trucking, LLC) regarding the Change Order No. 1 issued on March 2, 2022. Change Order No. 1 was presented to the Council dated March 23, 2022 for the replacement of existing Pre-Sed Basin #1 Outlet structure and SDR35 discharge piping plus 30 additional working days in the amount of \$27,564. Council Member Capp confirmed this was relevant to the incorrect pipe on the outlet of the existing basin. CC Wade confirmed and indicated the city felt it was in the best interest to not cut in to the banks of the existing sediment more than necessary. This change order requires us to use the existing cut in the bank for the new piping and replaces the incorrect piping which was originally installed.

❖ **Motion**

Council Member Mitzner motioned to approve Change Order No. 1 for the Water Settling Pond Improvement Project in the amount of \$27,564 for the replacement of the existing Pre-Sed Basin #1 outlet structure and SDR35 discharge piping plus 30 additional working days. Motion seconded by Council Member Capp voted on, passed 5-0.

SEWER REHABILITATION PROJECT (BG CONSULTANTS)

CC Wade is working with Raymond James Financial and Gilmore & Bell regarding the interim financing. Requests have been sent to the contractor for bond and certificates of insurance. CC Wade reviewed the resolution documents for the bonds for the interim financing for the sewer rehabilitation project. These bonds will provide the funding during construction and will pay off the temporary financing taken from Labette Bank for the design services for the project. Upon completion of the project, the bonds rollover to the USDA loan.

SPECIAL PROJECTS CONTINUED:

SEWER REHABILITATION PROJECT (BG CONSULTANTS)

Resolution No. _____ authorizing the offering for sale of General Obligation temporary renewal and improvement notes, Series 2022, of the City of La Cygne, Kansas was reviewed.

❖ **Motion**

Council Member Capp motioned to approve Resolution No. 442 authorizing the offering for sale of General Obligation temporary renewal and improvement notes, Series 2022, of the City of La Cygne, Kansas. Motion seconded by Council Member Stoker voted on, passed 5-0.

STREET PROJECT – KDOT CCLIP PROJECT AT KS HWY 152 AND INDUSTRIAL BLVD (KDOT/KILLOUGH CONSTRUCTION/CFS ENGINEERING)

Killough Construction mobilized on March 28, 2022. The project is underway, utility items have been rendered. Installation of the stormwater piping started at the Baptist Church and they are working towards the West. Payment voucher for CFS Engineering for work performed from January 1, 2022 through February 25, 2022 has been issued. CC Wade updated the Council on some changes which have occurred on the project. A revision to move the stormwater piping on the West side of Industrial Road slightly towards the East in order to avoid the piping being directly over the city water main was made at no additional cost. The stormwater piping is still within the city right-of-way. CC Wade also reviewed a request from Killough Construction regarding a temporary road across the vacant lot owned by the Lincoln/Scott Township Medical Board. A representative on behalf of the Medical Board and CHCSEK Medical Clinic has given permission for the temporary road during construction and to be removed upon completion. Once the project is completed, the "as-built" information will be reviewed to determine the savings for Killough to put in a temporary road in relation to the cost to the city for accepting the alternative for Killough to put in the temporary road. Council Member Mitzner requested a letter from the representative of the Medical Board/Property to confirm permission for Killough to install the temporary road on their property.

❖ **Motion**

Council Member Capp motioned to approve as to form the payment voucher for CFS Engineering for work performed January 1, 2022 through February 25, 2022 in the amount of \$2,818.80. Motion seconded by Council Member Mitzner voted on, passed 5-0.

❖ **Motion**

Council Member Mitzner motioned to accept the temporary access road as proposed by Killough Construction pending the receipt of a letter from the property owner or Medical Board representative confirming the use of the property for the temporary road which would be removed upon completion of the project. Motion seconded by Council Member Capp voted on, passed 5-0.

NEW FIRE STATION/PUBLIC SAFETY BUILDING

CC Wade announced, with excitement, the receipt of a \$100,000 grant from the First Option Bank Trustee Foundation. C Wade reviewed the current costs for the Fire Station (\$540,000) and the alternate shell expansion (\$148,000) for a total of \$748,000. The City is committing \$300,000 from the Capital Improvement Reserve, \$100,000 FOB Trustee Foundation grant and needs to decide how much of the \$170,770 ARPA (American Rescue Plan Act Funds) to put towards the project. The remaining amount needed for the project will need to be financed. CC Wade has reviewed options to

finance through the Public Building Commission Revenue Bonds, a lease through First Option Bank or a loan from USDA. The interest rates are all in the range of 2.5 - 2.9% for all three options. The debt capacity would not fall against the city if the building was funded through the Public Building Commission. Council Member Mitzner expressed the importance of keeping finance options open and available for the upcoming street improvement projects and the water treatment plant improvement project. The Council asked CC Wade to reach out to the Public Building Commission and to visit with Gilmore & Bell regarding revenue bonds.

ARPA (AMERICAN RESCUE PLAN ACT)

CC Wade presented a picture of some reflective address signs which Parker purchased for all residences and buildings in Parker. She suggested this as an idea for some of the ARPA funds for the City of La Cygne. This would really help for emergency purposes to visually see the address for every location within the city. The continuity would also make it easier for the AMR Ambulance service. CC Wade submitted the first annual report for the ARPA funds earlier this week.

STORMWATER MASTER PLAN

BG Consultants Client Agreement for Stormwater Master Plan. **Tabled until the April 20, 2022 meeting.**

Chief Fenoughty advised the Council of the fact the police are now required to pick up some reports from Mound City, they will no longer be electronically sent.

New Business – None at this time. Council Member Capp inquired about the status on side-by-side rules and regulations. Chief Fenoughty and Officer Fox are completing a flyer of information. Chief Fenoughty spoke to the press regarding a publication in the newspaper which was coming out soon regarding the rules in each community regarding side-by-sides/UTVs. Also, the Chief had been informed of a benefit being planned this summer which would bring about 40+ riders in town. Mayor Wilson had inquired about the broken open window in the lower part of the Harris/Schultz building. Chief Fenoughty will follow up on the status of the owner to take care of boarding up the window.

CODES ENFORCMENT – ALLISON FOX:

No report at this time from Officer Fox. Several letters have been sent out to follow up on nuisances.

Chief Fenoughty and CC Wade presented a job description and program for a permanent-part time codes officer. CC Wade had taken information from the past year of Officer Fox performing the duties of the position in order to create a job description for the city. CC Wade would like the Council to review the description prior to her attending some job fairs later this month. Council Member Brenneman expressed his opposition to having a more full-time codes enforcement officer. He explained events which happened in the past in which the codes officer went beyond the rules and regulations as outlined in the Codes of the City of La Cygne. Mayor Wilson expressed how the Council has the ability to regulate the actions of the employee. Council Member Stoker shared the importance to enforce the public safety of the community. City Attorney Harding discussed the unfortunate expense and costs which comes when a city lets the codes fail. Council Member Mitzner shared the struggle with not having a building inspector to enforce building codes. He indicated how the city has no method or means to control how homes are being built. Council Mitzner also emphasized how the role is being performed by various city staff which means it is taking time away from their normal daily duties. CC Wade asked the Council to review the job description prior to the next meeting for further discussion.

PUBLIC WORKS DEPARTMENT – PUBLIC WORKS SUPERINTENDENT (PWS) DAN NASALROAD:

Report from 3/23/22 to 4/6/2022

Committee Discussions

Water and Gas:

- Water plant evaluation continuing.
- Change Order No. 1 for Starbuck Trucking in the amount of \$27,564.00. This will be keeping the outlet piping in the same location as the old in the existing Pre-Sed Basin #1 but replacing the thin-walled pipe to C900.

REPORTS OF CITY OFFICERS CONTINUED:

Sewer:

- Bid awarded unsure of state date.

Park:

- Security doors installed.
- Trying to get started on mowing.
- Going to increase the size of the parking lot at the north park.
- Bids accepted for plumbing issues in the South Park. Council members asked about getting cameras installed at the park. Council Member Brenneman said the Park Board has already visited with PWS Nasalroad regarding cameras.

Cemetery:

- Most decorations have been picked up, shepherd hooks too?
- Discussion was held regarding the new revised regulations. CC Wade has prepared a draft letter to send out to patrons regarding the new rules. The Council advised to send out the letter on its own, not in the newsletter. Provide a date (coordinate with Memorial Day items being picked up) in which items would need to be removed which are no longer permissible in the cemetery, such as shepherd hooks. Council Member Curtis suggested getting pricing for a Notice Board to be placed in the cemetery in order to display the regulations and maps for the cemetery.

FIRE DEPARTMENT – DAN NASALROAD:

- Fire station funding received from First Option Bank Trustee Foundation.
- Fire truck tires for Engine No. 31. Council Member Capp read the NFPA Standard which provides requirement for tires to be replaced at 7-year intervals. Purchase Order No. 2022-4 in the amount of \$2,667.75 was reviewed. Discussion was held. Council Member Capp suggested to do a not to exceed \$2,800 in case there is a disposal fee for the tires.

❖ **Motion**

Council Member Stoker motioned approve Purchase Order No. 2022-4 in the amount not to exceed \$2,800 to replace the tires on Engine No. #31 with funding coming from the Fire Department Capital Outlay. Motion seconded by Council Member Capp voted on, passed 5-0.

AGREEMENT WITH BG CONSULTANTS FOR "AS-NEEDED" BASIS FOR CONSTRUCTION PHASE SERVICES NOT TO EXCEED \$5,000. CITY WILL PAY THE CONSULTANT A FEE BASED ON THE ACTUAL HOURS EXPENDED ON SERVICES AT CONSULTANT'S STANDARD HOURLY RATES.

Council Member Mitzner expressed the importance of having the engineer involved throughout the project. The city hired CFS Engineering to perform the duties of inspection during the project. CFS Engineering is on site to make sure the Contractor installs the project according to the plans/drawings. The Council shouldn't expect the PWS or City Clerk to research and answer engineering questions during construction.

❖ **Motion**

Council Member Mitzner motioned to approve the agreement with BG Consultants for "as-needed" basis for construction phase services not to exceed \$5,000. City will pay the consultant a fee based on the actual hours expended on services at consultant's standard hourly rate. Motion seconded by Council Member Stoker voted on, passed 5-0.

528 N. 6TH STREET CITY AGREEMENT

CC Wade had asked City Attorney Harding to review an agreement between the City of La Cygne and the owners of 528 N. 6th Street regarding their home which was built on the alley (city right-of-way). This agreement had been approved, signed and filed with the Register of Deeds. Within the agreement, it states upon the passing of the owners or change in ownership, the home must be removed off of the alley as well as the electric utility pole. Discussion was held regarding the agreement. The Council asked City Attorney Harding to draft a letter advising the heirs to proceed as defined within the agreement.

❖ **Motion**
