STORMWATER MASTER PLAN/STREET IMPROVEMENT MASTER PLAN

To move forward with the 4th Street and Broadway culvert and ditch improvement plan sheet and designed grades would need to be created for a contractor to bid the project. IF we want to do a typical bid process then BG could do the plan sheets. For the easements, the expected boundaries for the easement would need to be written up, and then we would approach the property owner about acquiring the easements. BG recommends having an upfront conversation with the property owner regarding the consideration for an easement prior to getting the legals drawn up. Would you like to move forward and have BG create a bid package?
