Meet our Mayor

Debra Wilson

Mayor Wilson has lived in La Cygne for 25 years and began her term as Mayor in 2020. Behind the scenes, the Mayor has worked hard with the council to improve our processes to make our governing body more efficient. Mayor Wilson helped guide our city through the Covid Pandemic and kept operations running during the shutdown. In 2021, the Arctic Blast hit and gas prices skyrocketed affecting most homes in the city. The mayor along with city staff and officials worked through the gas crisis and were able to take care of the extreme gas bill so that our patrons did not have the burden of an outrageous bill. The Mayor and Council also finished a big water project, CCLIP project and are at the tail end of a sewer improvement project. The Mayor and Council are looking into future projects to improve our city streets and the mayor has wonderful ideas on how to engage with the community through city events.

General Role of the Mayor

The Mayor is elected at-large and as such is a key political and policy leader. The Mayor presides at all meetings of the Governing Body, serves as spokesperson for the community, facilitates communication and understanding between elected officials, assists the City Council in setting goals and policies, serves as an ambassador and defender of the community, nominates persons to serve on boards and committees, and then appoints them after Council approval. The Mayor also makes proclamations. Together, the Mayor and City Council form a policy-development team.

On ordinary ordinances and other matters, the Mayor votes only when the Council is evenly divided. The Mayor has signature authority only when so designated by the Council. Staff prepares documents for signature at City Hall.
