HODGES FARMS & DREDGING CHANGE ORDER NO 1 FOR A \$30,000 DECREASE IN THE CONTRACT AMOUNT FOR LAND APPLYING THE SLUDGE INSTEAD OF HAULING SLUDGE TO A LANDFILL

CC Wade presented the Change Order No. 1 from Hodges Farms & Dredging. Hodges Farm & Desludging provided the Biosolids Management Plan and Land Application request to BG Consultants which provided testing reports showing the stored solids now meet all state/federal standards for land application. The Change Order request provides a \$30,000 deduction to the original contract price of \$648,900. The new contract price of \$618,900 of which \$426,455 dollars has been paid to date to Hodges Farm & Desludging would leave a balance remaining due of \$192,445.

CC Wade expressed the importance of timing in this matter because farmers will be preparing to plant soon.

No further questions were asked.
