REPORTS OF CITY OFFICERS:

CITY ATTORNEY –BURTON HARDING:

City Attorney Harding reported on the negotiations with the attorney for 109 N. 2nd Street. The owner accepted to sign a waiver of release for the demolition of the portion of home not located on the right-of-way if the City of La Cygne would absorb the costs for the demolition of the entire home. The owner would like to request a period of 2-weeks to remove all personal belongings from the home prior to demolition.

❖ **Motion**

Council Member Curtis motioned to accept the offer for the owner of 109 N 2nd Street to sign the waiver and in return the city would cover the cost of demolition of the home located at 109 N. 2nd Street and provide the owner a 2-week period to remove personal belongings. Motion seconded by Council Member Brenneman voted on, passed 5-0.

City Attorney Harding advised the council of the current situation with the jail. Bourbon County jail closed and therefore the surrounding jails are assisting with the movement of the inmates from Bourbon County temporarily. At this time, there is not jail space available and therefore it limits Chief Fenoughty on arrests. Mayor Wilson inquired about mutual agreements with Miami County. Chief Fenoughty indicated she could use Miami County but it would be for very limited time due to the costs associated for holding an inmate at Miami County. City Attorney Harding expressed again this is a temporary problem for Linn County jail as Bourbon County finds places to house all their inmates.

POLICE CHIEF – TINA FENOUGHTY :

VIN Inspections- 12 completed

Council Member Capp expressed concerns from citizens regarding night and weekend coverage. Chief Fenoughty ensured the council her department has been handling call outs in the evenings and on weekends. Chief Fenoughty pointed out she has been down one full-time officer since Corporal West left the department back in April 2021. Officer Fox was hired as 50% Police officer and 50% Codes Enforcement. Chief Fenoughty reviewed the lengthy reporting which is required for each case. She reviewed the number of cases in 2020 = 19, 2021 = 31 and 2022 to date = 77. Non-service calls do not require as much reporting and the number of calls in 2020 = 94, 2021 = 170 and 2022 to date = 238. Chief Fenoughty would like Officer Fox to be a full-time Police Officer and she would like to hire a part-time officer for up to 24 hours a week. Applications are currently being received for a Codes Enforcer which would relieve Office Fox of those responsibilities. Chief Fenoughty indicated the increase in VIN inspections as well as the requirement to hand deliver reports down to the sheriffs' office in Mound City affects the schedules for patrolling in La Cygne.

KPERS rates will increase in January 2024: Notice was received from KPERS Board of Trustees regarding their decision to decrease KPERS' long-term assumed investment rate of return on the KPERS Trust Fund from 7.5% to 7%. The investment assumption has been changed eight times since 1962, most recently in 2016. This change affects employers because it is a major part of calculating funding. Meaning *EMPLOYER* contribution rates will increase to make up for the lower *estimated* investment returns over time. It *DOESN'T* affect member contributions or retiree benefits. In 2023, most KPERS local employers will pay 8.43% for their regular retirement. The Board and employers have certified this rate. The projected rate for 2024 is 8.96%.
