What is a Comprehensive Plan?

The comprehensive plan is a tool that will serve as a guide for the next decade by providing the framework for a community that preserves and celebrates its rural character, small-town lifestyle, focused economic development and community values.

Jodi Wade, our City Clerk, will be working on a series of videos introducing how the government is structured and how we are working to serve and inform the community. She will be introducing the Comprehensive Plan; goals, objectives, and actions. Please follow us on FACEBOOK to stay up to date.
